

Cedar Ridge Lesson Plan

Week of: October 11th - 15th

Theme: Farming

	Monday	Tuesday	Wednesday	Thursday	Friday	Home-School connection
Language development	Letter D and it's sounds. What is a farm? What animals are on a farm? What fruits and vegetables are in season?					This month we have turned Explorer's Academy into the school for witchcraft and Wizardry! We will have lots of experiments that look like magic and we will be having lots of fun learning about science in a spooky setting!!
Math and problem solving	Math activities: Counting to 30 with counting bears			Problem solving activities: Fruit/vegetable match maze		
S.T.E.M Activities	Love potion experiment					
Creative Arts & art skills	D for dragon	Cotton ball sheep	Fruit and vegetable season chart	Love potion labels	Free draw	
Motor skill activities	Sand writing	Trace letter D	Shape trace	Letter D look and find	Obstacle course	
Music and movement	Song(s) of the week: Old McDonald, The animals on the farm by super simple songs		Weekly movement activities: Ways to get our wiggles out			
Social/emotional learning	Problem solving with our peers
